Welcome everyone!

We are so happy to be back at school and so ready to start learning with your beautiful children! Our sign in and out sheets are located outside the school in the front of the building. Every child must be signed in/out daily. Per state regulations a full signature is required. If you do not sign our school will be cited & fined for each missing signature. Any person who drops off and picks up for you must be informed of this.

Please remember to pick your child up on time. Even a minute or two can make a difference to these little ones. We want to avoid unnecessary tears and trauma.

When dropping your child off, remember to stay long enough to make them comfortable, not too long, and always make sure you tell them you're leaving &

you'll be back soon to pick them up. If your child is crying or upset, take them to their teacher and we'll help you with the transition!

Tuition is due by the first of every month. The tuition box is located as you walk in the front door under the bulletin board.

Things to remember:

Read your Back to school Packet. It contains all necessary information that you need.

Sign your admission agreement and give it to the Director.
